Cyber Security Awareness Kids Safe Online Poster Contest

ADDITIONAL INFORMATION

The Multi-State Information Sharing and Analysis Center (MS-ISAC), a division of the Center for Internet Security, is once again conducting a national K-12 Computer Safety Poster Contest to encourage young people to use the Internet safely and securely and to craft messages and images that will best resonate with their peers across the country.

The contest is open to all students in public and private schools, and youth organizations in Kindergarten - 12th grades in the 50 United States, the District of Columbia, and the U.S. Territories.

Each State, Local, Tribal, or Territorial Government (SLTT) within the United States is invited to conduct a poster contest for students within their jurisdiction and submit up to fifteen entries to the MS-ISAC by January 29, 2016 for entry into the MS-ISAC National Poster Contest. Contact the MS-ISAC at contest@msisac.org to find out if your government is participating in this contest.

For SLTT governments unable to conduct a contest, please contact the MS-ISAC at contest@msisac.org to learn how your school/youth organization can participate in this contest.

Thirteen winners will be selected and will receive the honor of having their artwork in a calendar which will be distributed throughout the country. The schools with winning entries will also receive several calendars and additional educational materials to promote cyber security within their school district.

Posters should be submitted to us no later than January 29, 2016.

We hope your school district or organization will participate in this worthwhile event and look forward to working with you!

If you have any questions, please call Erin Dayton at (518) 880-0699.

Eligibility

All students in public and private schools, and youth organizations in Kindergarten - 12th grades in the 50 United States, the District of Columbia, and the U.S. Territories.

Themes

Poster Art should illustrate the safe use of the Internet and/or mobile devices. Create **original** artwork that demonstrates one of the following themes.

- Cyber Security
- Cyber Bullying
- Cyber Community Citizenship (Cyber Ethics)
- Malicious Code (Worms and Viruses)
- Social networking
- Mobile media devices
- Inappropriate texting

Poster Requirements

Posters created by students must be their own original artwork. Copyrighted characters, images or clipart will not be accepted.

Materials

Students may use a variety of media, such as watercolor, pen and ink, crayon, chalk, markers, etc. Brighter colors, however, reproduce better for the calendar, light pencil marks will not show up. Keep in mind most posters will likely be on public display, and should be easy to see or read.

Size and Layout

- Minimum: 8.5" x 11"
- Maximum: 11" x 14"
- **Landscape Layout only!! - Calendars are in landscape format**

Judging Procedure

If Your Government is holding a Contest:

Submit all posters to your State designated email (contact contest@msisac.org to find out). The State will then submit the winning entries to the Multi-State Information Sharing & Analysis Center.

If Your Government is not holding a Contest:

Each participating school/youth group is permitted to submit up to fifteen (15) posters. How your school/youth group decides on the fifteen (15) posters is up to you. Some schools/youth groups may wish to have a contest and choose the entries; others may just have the art teacher, principal or group leader choose.

Each poster must have the Entry Form securely fastened to the back of the poster. A poster not accompanied by a completed Entry Form will not be eligible for further judging. The posters, with the Entry Form, must be submitted (either hard copy or by email) by January 29, 2016.

National Judging:

The posters will be grouped in one of the following three grade categories - Kindergarten through 5th grade; 6th through 8th grade; and 9th through 12th grade.

The best posters in each grade category will be judged based on the judging criteria listed below. First, second, third and fourth place winners will be awarded in each grade category.

Judging Criteria

- Clear message conveyed by the text and artwork
- The poster theme listed above is addressed;
- Creativity, originality and artistic quality
- Visual clarity - easily read
- Bright and colorful
- Must comply with poster requirements - must be in landscape layout and must not use any copyrighted characters, images or clipart

Awards

Each participant of the national contest will receive a certificate of recognition to acknowledge the effort.

National Winners

Winners from each grade group (K-5, 6-8, 9-12) will be selected. The winners in each grade category will receive a framed "Certificate of Accomplishment" from the MS-ISAC Chair. In addition, each winning student will be awarded a prize, and receive the honor of having their artwork replicated into a poster calendar which will be distributed throughout the Country and may also be used in campaigns to raise awareness among children of all ages about Internet and computer safety.

The school contact person named on the Poster Entry Form will be notified by the Multi-State Information Sharing and Analysis Center.
