EXCHANGE STUDENTS ADD SMILES TO OUR STUDENT BODY

BY SHELBEY BRASHEAR AND GEYDI HERNANDEZ

One of our foreign exchange students is Jung Hyun Lee, also known as Jin. A little tidbit about Korean culture; back home, if Jin were to be asked what his name is, he would answer as Lee Jung Hyun. In Korea, you say your last name first. He is from Seoul, Korea. For those of you who don't know, Seoul is an extremely large city with an approximate population of 9.91 million people, the 16th largest city in the world! He is living with the Madigan family and he is 17 years old. He says his favorite thing about Wilson Creek so far is school.

Jisoo Park is one of the exchange students for the 2017-2018 school year. She is 15 years old and also comes from Seoul, South Korea and is staying with the Dowers family. She is enjoying being an exchange student at Wilson Creek and so far enjoys being in America.
