MONTHLY REMINDERS

GENERAL

-  **HEALTHY SNACKS:** Will only be sold before and after school, and during lunch from now on.
- **INCENTIVE TRIP:** In attempt to reward students for good choice and positive behavior, as well as positive effort towards their academics, we are again putting in place our end-of-the year incentive trip for grade 7-12th. This means that students cannot be suspended either in or out of school for second semester and cannot be on the ineligible list, meaning they need to pass all their classes each week. As this is a fun trip at the end of the year which the school financially supports, we feel students need to work for this trip demonstrating respect for school rules and curriculum expectations.
