- **9-12 GRADE:** School-to-work Business Liaison Kate Anderson, wanted to inform the students about an opportunity for our students this summer. FWEE and Chelan County PUD are partnering to present the FWEE Hydropower and STEM Career Academy June 19-23, 2017 at Rocky Reach Dam. This awesome opportunity is available to high school students who want to **earn high school and college credits** while learning from the best in the industry through hands-on engineering and design projects like building and flying drones, building hydroelectric models, and learning about alternative energy by building and racing solar cars. So cool! **Interested in learning more about the Chelan County PUD this summer STEM Academy? Pre-Register to receive updates and notice about this event by texting Text@ccpu to 81010.**
- **9-12 GRADE:** Now is the time to be thinking about whether or not you have completed your **community service** hours for the year. REMEMBER, as a 9th grader you need 10 hours, 10th graders need 15 hours, 11th graders need 20 hours, and 12th graders need 25 hours. Please do not wait until your senior year to get them done. Some of you have already done them; you just need the paperwork signed. Please take care of this; it is your **responsibility to do so.**
- **ALL SECONDARY:** Any 7-12 student who is **ineligible** or on **probation** will serve their lunchtime in detention to do their schoolwork until the next list comes out.
- **11-12 GRADE:** The Big Bend Community College 2017-18 scholarship application deadline is February 17, 2017. The application process is now online, and with a single application through the AwardSpring online system, students can apply for any and all BBCC scholarships. Apply at: <http://www.bbcc.awardspring.com>
