

FFA

- FFA meeting 6th period, Monday, March 6th

GEAR UP

- Will you be an incoming 9th, 10th, 11th or 12th grade student this summer? Are you interested in Engineering and Design? Would you like to earn college credit? FWEE will be offering a Hydropower and STEM Career Academy this June in Wenatchee. If interested please contact Mrs. Garrett.

REMINDERS

- **ALL:** Just a reminder that with all this crazy, snowy, wet weather, please treat out gym floor with respect. Make sure to wipe off your shoes before entering, and when possible, please wear your gym shoes on the floor. The gym floor thanks you!
- **9-12 GRADE:** School-to-work Business Liaison Kate Anderson, wanted to inform the students about an opportunity for our students this summer. FWEE and Chelan County PUD are partnering to present the FWEE Hydropower and STEM Career Academy June 19-23, 2017 at Rocky Reach Dam. This awesome opportunity is available to high school students who want to **earn high school and college credits** while learning from the best in the industry through hands-on engineering and design projects like building and flying drones, building hydroelectric models, and learning about alternative energy by building and racing solar cars. So cool! **Interested in learning more about the Chelan County PUD this summer STEM Academy? Pre-Register to receive updates and notice about this event by texting Text@ccpu to 81010.**
- **9-12 GRADE:** Now is the time to be thinking about whether or not you have completed your **community service** hours for the year. REMEMBER, as a 9th grader you need 10 hours, 10th graders need 15 hours, 11th graders need 20 hours, and 12th graders need 25 hours. Please do not wait until your senior year to get them done. Some of you have already done them; you just need the paperwork signed. Please take care of this; it is your **responsibility to do so.**
- **ALL SECONDARY:** Any 7-12 student who is **ineligible** or on **probation** will serve their lunchtime in detention to do their schoolwork until the next list comes out.
- **FROM THE KITCHEN:** Students are NOT allowed to take lunch trays out of the cafeteria, this includes to the outdoor seating area. Also, please DO NOT remove the pallets from the back door of the kitchen, we ship them back to our supplier.
- **SENIORS:**

Seniors, you have probably heard that "money doesn't grow on trees" and that college isn't free. Have you been applying for scholarships to help pay for college? With the year moving fast, it's too late to apply for some scholarships, but there is still time to get your applications in for other important ones that are available. You can find them on our website or in the school office.
