ARTICLE V.

LAYOFF AND RECALL

Section A. Definition:

1. The term "Layoff" as used in this article shall mean action by the Board reducing the number of employees in the bargaining unit. It shall also not mean any employee hired with a definite lay off date, i.e., special education paraprofessional hired to work with one student who leaves the district. This layoff circumstance will be relayed to the employee as part of the advertising of the position. Layoff does not include the reduction of hours of an employee.
2. The term "Reduction of Hours" as used in this article shall mean any reducing of hours from the current work agreement to a new number of hours that is less than those stated in the current work agreement.
3. The term "seniority" shall mean the length of an employee's continuous service within the District as a member of the bargaining unit in a job-related category such as secretary, para-professional (Class A and B combined), bus driver, custodian, cook, and technology. Accumulation of seniority shall begin on the employees first work agreement day. It is also provided that breaks in service of one (1) year or less shall be bridged and considered as continuous. In the event that employees have the same seniority ranking, the employees so affected shall participate in a drawing by lot to determine seniority position. An employee upon termination, resignation, retirement, or transfer to a non-bargaining unit position shall lose seniority.
4. The term "specific skills and qualifications" as used in this article shall include information from previous evaluations, training sessions, and specific skills learned previous to or on the job at Wilson Creek and any other pertinent information that is in the best interests of the students. If the District determines that seniority rights should not govern because a junior Employee possesses qualifications or specific skills substantially greater than a senior Employee(s) and is in best interests

of the students, the district shall set forth in writing to the Employee(s) affected and the President its reasons why the senior Employee(s) have been by-passed.

Section B. Lay-Off:

In the event that elimination of position(s) becomes necessary, the district shall first determine which employee position(s) shall be retained because of specific skills and/or qualifications relating to retained District positions. Prior to this determination the district shall seek input from the association.

Employees not retained under the preceding paragraph shall be subject to lay-off on the basis of seniority.

Employees to be laid off shall receive advance written notice as soon as possible after such decision has been made. Layoff will not occur until the end of the current pay period, but no less than fifteen (15) working days.

Employees having additional skills and/or qualifications may report such skills and/or qualifications in writing to the Superintendent for additional consideration for reassignment.

Section C. Lay-Off Pool:

Employees who are laid off shall be placed in a re-employment pool for one (1) year. Recall shall first be based on specific skills and qualifications relating to the district position to be filled and then be based on seniority. The district shall give employees written notice of recall from layoff by sending a registered or certified letter to the recalled employee at his/her last known address. If the employee does not respond personally or in writing to the district office within ten (10) working days of such notice of recall, the employee shall forfeit right of recall. The employee's address, as it appears on the Board's records, shall be used in connection with layoff, recall or other notice to employees. It is the employee's responsibility to keep the district office informed of his/her current mailing address.

Section D. Benefits:

The Washington State Healthcare Authority (HAC) under the School Employees Benefit Board (SEBB) administrators the Wilson Creek School District's Benefits. The number of hours employees work determines eligibility for benefits during the school year. (Sept 1 through Aug 31). Any employee who works (630) hours or more in a school year becomes eligible for the SEBB benefits. Employees have a selection of medical, dental, vision plans and other supplemental benefits options. All benefits provided by this agreement and unused sick leave shall be granted to each active returning.

ARTICLE VI. LEAVES

Section A. Illness, Injury and Disability (Sick) Leave

1. Accumulation: Every employee holding a regular full time (260 days) position shall accrue a total of twelve (12) days of illness, injury, and emergency leave for each school year. Unused sick leave shall accumulate to a maximum of one-hundred-eighty (180) days. Every employee holding a regular part-time position shall accrue such leave with pay, in proportion to the relationship of his/her basic work as to forty (40) hours/Full-Time Equivalent amount.

2. Sick Leave Use: The intent of this leave is to make it possible for employees to be absent because of injury, quarantine, maternity, disability, or because of an emergency, but not for personal pleasure or profit. For the purposes of disability (including maternity), paid sick leave may be used for the period of the disability, as supported by a physician's signed notification.

a. Family Illness: The District shall grant sick leave to employees in the event of illness, injury, or disability within the immediate family of the employee. For purposes of this subsection the term "family" shall be defined as it is in "Emergency Leave", below.

b. Appointment: Employees may use this leave for medical, dental, or ocular appointments when absence during working hours for these purposes is authorized forty-eight (48) hours in advance by the Superintendent. However, in an emergency situation, prior approval shall not be required.

c. Fractional Day Use: In any instance involving use of a fraction of a day's sick leave, the charge to the employee's sick leave account shall be the actual amount of time absent from work.

d. Notice By Employee: When an employee will be absent from work due to illness, he/she shall give notice, if at all possible, to his/her principal or the person designated by the Superintendent to receive such notices, not later than 7:00 a.m. of the first day of the illness. If the absence may be for consecutive days, the District should be notified of the probable date of return.

e. Sick Leave Exhaustion: Any illness or disability extending beyond the accrued sick leave shall be considered a leave of absence without pay unless covered by the pooling of sick leave with other employees as designated by this contract.

Section B. Family and Medical Leave Act (FMLA):

A leave of absence, under the provisions of the Family and Medical Leave Act (FMLA), shall be granted to a certificated staff member upon request for:

- The birth, adoption, or foster care placement of a child
- The care of a spouse, child, stepchild, or parent with a serious health condition
- The employee's own serious health condition

a. Eligibility: All contracted employees shall be eligible to request FMLA Leave provided they have worked at least one (1) year and for 850 hours over the previous twelve (12) months.

b. Duration: FMLA leave shall be granted twelve (12) weeks of leave during a twelve (12) month period. Part time employees who have established eligibility shall be granted FMLA leave proportional to their contracted employment.

c. Notification: The employee shall provide the district thirty (30) days advance, written notice of his/her intent to use Family Leave when the need for the leave is foreseeable. The District may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the District's expense) and a fitness for duty report to return to work.

d. Job Benefits and Protection: The District shall insure the following provisions:

1. Maintain the employee's health coverage during the duration of Family Leave. The employee must continue to pay his/her portion, even in a non-paid status;
2. Grant the employee his/her previous position, or equivalent position with equivalent pay, upon return from Family Leave; and
3. Maintain any employee benefits that accrued prior to the start of Family Leave.

e. Use of Accumulated Paid Leave: At the employee's discretion, this leave can be deducted from accumulated paid leave days (sick leave and personal leave) or taken wholly or in part as unpaid leave.

f. Consecutive Use of Sick Leave and Family & Medical Leave: As per Washington State Family Leave Act (1997), the use of Family & Medical Leave is in addition to any leave for the sickness or temporary disability caused by pregnancy or childbirth. An employee may take sick leave for the actual period of disability because of pregnancy or childbirth, and then may also take twelve (12) weeks Family & Medical Leave during her contracted year due to the birth of a child.

Section C. Emergency Leave

Emergencies are defined as those conditions which cannot be dealt with outside of working hours, and which require the employee to be absent himself/herself from his/her duties. Emergencies shall include injury or sickness to members of the employee's immediate family. Immediate family shall be understood to include, spouse, children, brothers, sisters, parents, grandchild, grandparent, niece, nephew, aunt, uncle, or all the above that are related to the employee's spouse or other dependents living in the classified employee's home. The Superintendent, at his/her discretion, may request such verification of the family relationship, as he/she deems advisable. Section D. Bereavement Leave:

The District shall grant employees up to five (5) days with pay per occurrence for death in the immediate family of the employee, as defined below. The District shall grant employees one (1) day of bereavement leave with pay in the event of the death of friends, students, or colleagues of the employee. Upon approval of the Superintendent, additional bereavement may be granted as emergency leave.

The term "immediate family" shall mean spouse, parent, child, grandchild, grandparent, sibling, niece, nephew, aunt or uncle, or those of the employee's spouse, marriage partners of the employee's children, parents, siblings, grandchildren or grandparents, or a person living in the same household as the employee or any person who is a dependent of the employee.

Section E. Judicial Leave:

An employee who is summoned to serve as a juror or is obliged to appear in court as a party or subpoenaed witness shall notify his/her immediate supervisor immediately upon learning of the need for leave. Requests for child rearing leave shall not be unreasonably withheld. Employees granted such a leave shall be permitted to stay in the District insurance programs at their own expense (carriers permitting), and shall not gain or lose seniority or other benefits. Upon return from such leave, the employees shall be placed in the position last held or in a similar position in the District.

All District approved leaves must have prior approval of the Superintendent.

Unless waived by the Board because of extenuating circumstances such as but not limited to, poor health or family emergency, notification of intent to use the Sick Leave Conversion Option must be made in writing to the Superintendent by January 31, preceding the year of retirement. The money paid pursuant to the provision shall not be included for the purpose of computing a retirement allowance under any public retirement system in Washington and shall be in accordance with the rules and regulations of the Superintendent of Public Instruction.

1. Hours of Work: Employees required by the Superintendent to work beyond their normal shift, shall be paid overtime on the basis of straight time up to forty (40) hours per week and time-and-one-half beyond forty (40) hours. Forty (40) hours computation excludes extracurricular bus driving and stand-by time.

4. School Closure: In the event of unusual school closure due to inclement weather, inoperative plant, or other such reason, the District shall attempt to notify employees prior to the beginning of the employee's shift. - Regular full-time employment for more than one year and up to five years: 10 vacation days.
- Regular full-time employment for five years through ten years: 15 vacation days.
- Regular full-time employment for eleven years and beyond: one additional vacation day for each additional year worked beyond 10 years to a maximum of 10 additional days or a total of 25 days of vacation.

Vacation dates are subject to the approval of the Superintendent. Not more than five (5) days may be carried over to the next year. For purposes of this Section, the term "Full-time employee" is defined as an employee who works two-hundred-sixty (260) days per year excluding vacation days and holidays. Those who work less than eight (8) hours per day shall receive a pro-ration of the schedule above. For purposes of this Section, the term "day" shall mean employee workday.

Vacation time will be awarded after first full year of employment. Adjustments will then be made so that the employee's award date falls on September 1st of each school year.

Vacation leave must be taken within the 12-month period following the time when vacation was earned except the five (5) days may be carried over to the next year. Any exception must have prior administrative approval.

Classified employees must schedule vacation time with their supervisors at least two weeks in advance of the first day of vacation leave. Vacation schedules must recognize the operational needs of the district and are subject to approval of the superintendent.

When a situation arises while an employee is on paid vacation leave for which the employee is entitled to other leaves (e.g. illness, injury, or death of a relative) provided that the employee submits a request within fourteen (14) days after returning to work indicating the type of leave requested and the circumstances requiring the change in leave status.

2. Payment: Payment for salary shall be prorated over twelve (12) monthly paychecks. Pay checks shall be issued on the last calendar business day of each month. Employees may opt to have their checks delivered to them personally during the school year, direct deposited to a bank or mailed to a specified address.
3. Errors in Computations: Errors in computation related to salary and/or fringe benefits shall be brought to the attention of the employee or District as soon as discovered. In the event the district has made an over or under payment, the District and the employee shall work out a mutually agreeable plan for correction.
4. Substituting By Regular Employee: Any employee required to cover for another employee at the request of the superintendent, that causes that employee to fully fulfill the absent employee's job description and or job duties/responsibilities will receive the substitute rate for that position unless said employee's salary is higher. If said employee's salary is higher, he/she will receive his/her pay for that position for the hours worked. The request of the superintendent will be based on seniority, the employee's skill set in regard to where they are asked to substitute and what will be best for the district as a whole.
5. Classified Employee Covering for a Certificated Employee: A classified employee that covers for a certificated employee will receive the para's own regular salary plus a \$25.00 stipend. For covering for a teacher for 3 hours or more on one day, the para will receive their own regular salary plus a \$60.00 stipend. Paras asked to cover a class due to scheduling, on a daily basis, will receive \$20.00 cert coverage per day.
6. Co-curricular Bus Drivers:

 - c. Posting: Each upcoming co-curricular trip shall be posted for driver consideration as early as possible. Information on the posting shall include but necessarily be limited to date of trip, estimated time of departure, estimated time of return, destination, and type of activity.
 - d. Co-curricular Trip Rotation: Co-curricular trips shall be assigned by allowing the most senior work agreement bus drivers to choose the co-curricular trips first. These to and from work agreement drivers may opt to have a substitute driver take their regular to and from route to avoid working more than forty (40) hours in a work week. After the work agreement to and from drivers have selected their co-curricular trip assignments, substitute drivers will have the ability to choose any remaining co-curricular trips based upon his/her substitute seniority and availability. Since the transporting of students to and from school is paramount, regular work agreement drivers may not accept co-curricular assignment trips until a qualified substitute is secured for his/her daily to and from route.

7. Co-Curricular Advisor/Coaches: Classified employees are welcome to become involved in co-curricular activities of the school district. Co-curricular activities are paid on a separate salary schedule. See Appendix D. For employees hired as advisors the district has available an "Advisor Handbook" which details many of the responsibilities of an advisor. According to the "Castle Rock" decision, hours worked in advising and coaching count toward the 40-hour workweek and assignments will be hired based on that decision.

Section E. Overtime:

Time-and One-Half: Overtime shall be time worked, with prior approval of the Superintendent, beyond forty (40) hours per week and shall be compensated for a rate of time and one-half (1 1/2) of the employees regular hourly wage. The employee shall receive a minimum of two (2) hours of pay for this Holiday weekend work. Overtime shall be first offered to the most senior employee who is qualified to perform the work. Holiday weekend is defined as three (3) consecutive days, to include a Holiday.
2. Recall: Employees recalled to work after completing their normal shift shall be compensated at regular time until the total hours exceeds 40 hours in a week. At that time the employee will be reimbursed at one and one-half (1 1/2) for all such hours worked. Employees recalled on Sundays or holidays will be reimbursed at a rate of time plus one half of their normal hourly salary.

Section F. Insurance Benefits:

1. Amount of Contributions: The district shall provide each eligible full-time employee a sum per month as funded by the state toward the funding of a pooled rate for medical, vision, dental and other allowable benefits. The monthly maximum shall be adjusted annually to reflect the FTE contribution funded by the state.

Section G. Travel Reimbursement:

An employee who is required to use his/her own vehicle as part of his/her employee responsibilities (including employees who are required to travel between buildings) shall receive travel reimbursement equal to that amount authorized by the Federal IRS Mileage Reimbursement or District policy, whichever is more. In order for the employee to receive the mileage reimbursement that employee must verify that a district vehicle was not available at the time/s and date/s needed for the trip.

Section H. Training:

Employees attending training courses as directed and approved by the District shall be paid at their regular per diem pay if the training occurs during their regular employment time. Expenses incurred for course fees and tuition shall be paid by the District. Overtime shall be paid, if applicable.

The District agrees to reimburse bus driver's exam fee for the required CDL physical as required by the State. This physical is free if the driver works a minimum of 10 hours a year as a bus driver for the District.

Section I. Life Flight:

The District will reimburse employees \$35.00 toward the cost of LifeFlight membership for the employee and their immediate family. It will be the responsibility of the employee to sign up with LifeFlight and show proof of membership to receive reimbursement.

the time line, the grievant may, if done in writing in ten (10) business days, appeal to the Board by filing written notice with the Superintendent. The Board shall provide a hearing for the grievant at the next regularly scheduled Board Meeting. A written decision with reasons for said decision shall be given (or mailed) to the grievant within five (5) business days after the Board Appeal Meeting. The decision of the Board shall be final and binding upon the parties.
