Wilson Creek is a small school district located approximately thirty miles north of Moses Lake, and twenty miles east of Ephrata. We are a small school district with an enrollment of 170 students, preschool through 12th grade. Set within a rural farming community, students within a 25-mile radius attend our school. With nearly 60% choice students, our school feels very much like a private school. We routinely receive annual awards such as School of Distinction and Achievement for Academic Excellence and are proud of our decades long 100% graduation rate. Wilson Creek provides teachers the opportunity to (1) work with small class sizes (20 or less), (2) provide individualized/targeted instruction to students, and (3) work collaboratively with a caring and welcoming student-focused, professional staff.

Reports To: Principal/Superintendent

Program Description: Throughout each week, students spend time with various specialists including art and physical education. One of the many advantages for staff and students in the Wilson Creek School District is our small size.
